Information Disclosure Statement

(37 C.F.R. §1.97(c))

Sir:

The following information is being disclosed to the U.S. Patent and Trademark Office as information that may be material to the examination of the above-identified patent application.

A search report has issued in a counterpart foreign application (EP 01309127.7). The search report includes citation of the following art, which was previously not cited in the present U.S. patent application.

U.S. Patent No. 6009317,

U.S. Patent No. 6219534 B1,

PCT Publication No. WO 99/14863,

Patent Abstracts of Japan, Publication No. 11234150, and  
Electronics World article.

Copies of the art are enclosed with a Form PTO-1449 for the  
Examiner's use. A copy of the search report wherein these  
references were cited is also enclosed.

Each item of information contained in this Information  
Disclosure Statement was cited in a communication from a  
foreign patent office in a counterpart foreign application not  
more than three months prior to the filing of this Statement.

The filing of this Statement is not to be construed as a  
representation that a search has been made regarding the  
claimed invention (37 C.F.R. §1.97(g)) or that no other  
possible material information exists. In addition, the filing  
of this Statement is not to be construed to be an admission  
that the information cited in the Statement is, or is  
considered to be, material to patentability (37 C.F.R.  
§1.97(h)).

Respectfully submitted,
